

WHAT IS A DIARY DECK?

Based on the extraordinary Diary Project website, the Diary Deck is a unique resource for teachers, counselors, parents and teens seeking new lines of communication. It contains Seventy-five cards, one entry per page, covering fifteen topics: body image, relationships, friends, sexuality/gender, family, drugs, racism, point of view, loss, school, religion, discrimination, stress, feelings, and something we call "Who am I?"

Along with a diary entry, each card offers three related discussion questions about broader issues the writing evokes.
